7 8 EXPLANATION

7 9 This bill relates to the sale of a pseudoephedrine product  
7 10 by a pharmacy or retailer.

7 11 PENALTIES. The bill provides that a person shall not  
7 12 purchase more than 3,600 milligrams of pseudoephedrine, either  
7 13 collectively or separately, within a 24-hour period from a  
7 14 pharmacy unless the person has a prescription. A person who  
7 15 violates this provision of the bill commits a serious  
7 16 misdemeanor. Under current law and the bill, a person commits  
7 17 a serious misdemeanor if the person purchases more than 7,500  
7 18 milligrams of pseudoephedrine within a 30-day period from a  
7 19 pharmacy or retailer.

7 20 PHARMACY. The bill requires a purchaser of a  
7 21 pseudoephedrine product from a pharmacy to sign an electronic  
7 22 logbook. Current law does not require a signature in an  
7 23 electronic logbook. The bill also provides that if the  
7 24 electronic logbook is unavailable, the pharmacy is required to  
7 25 keep an alternative record that complies with rules adopted by  
7 26 both the governor's office of drug control policy and the  
7 27 state board of pharmacy.

7 28 The bill requires a pharmacy, an employee of a pharmacy, or  
7 29 a licensed pharmacist, to enter a purchaser's name, address,  
7 30 date of purchase, time of purchase, name of pseudoephedrine  
7 31 product, and quantity sold into an electronic logbook. If the  
7 32 electronic logbook is unavailable for use, the bill requires  
7 33 the pharmacy to keep written records of the transaction  
7 34 including a signature.

7 35 The bill requires a pharmacy to keep electronic logbook  
8 1 records for a period of 24 months from the date of the last  
8 2 entry. Current law requires the pharmacy to keep the logbook  
8 3 12 months from the date of the last entry.

8 4 The bill provides that the office of governor's drug  
8 5 control policy shall implement and maintain a statewide  
8 6 real-time central repository to track pseudoephedrine product  
8 7 sales at pharmacies. The bill requires a pharmacy dispensing  
8 8 pseudoephedrine products to report all such sales  
8 9 electronically to the central repository under the control of  
8 10 the office of governor's drug control policy. If the pharmacy  
8 11 has written records, the records are also to be reported for  
8 12 entry into the repository. If the electronic logbook is  
8 13 unavailable for use, the bill requires the pharmacy to keep  
8 14 written records of the transaction including a signature.

8 15 The bill makes confidential the information collected in  
8 16 the central repository unless otherwise ordered by a court, or  
8 17 the records are released by the custodian of the records  
8 18 pursuant to state or federal law.

8 19 The bill provides that a pharmacy, an employee of a  
8 20 pharmacy, or a licensed pharmacist shall not be liable to any  
8 21 person for any claim which may arise when reporting in good  
8 22 faith pseudoephedrine sales to the central repository.

8 23 The bill also requires a pharmacy to comply with training  
8 24 requirements pursuant to federal law.

8 25 Under the bill, a pharmacy, an employee of a pharmacy, or a  
8 26 licensed pharmacist shall not be provided access to the stored  
8 27 information in the electronic central repository, except for  
8 28 the purpose of obtaining certain information.

8 29 The governor's office of drug control policy and the board  
8 30 of pharmacy shall both adopt rules to implement the bill.

8 31 A person who discloses information stored in the central  
8 32 repository in violation of the bill commits a simple  
8 33 misdemeanor.

8 34 RETAILER. The bill requires a retailer or an employee of a  
8 35 retailer to print the name of the pseudoephedrine product  
9 1 purchased and the quantity sold next to the name of each  
9 2 purchaser in the logbook.

9 3 The bill requires the retailer to keep the logbook 24  
9 4 months from the date of the last entry. Current law requires  
9 5 the retailer to keep the logbook 12 months from the date of  
9 6 the last entry. The bill does not require a retailer to keep  
9 7 an electronic logbook of pseudoephedrine purchases.

9 8 The bill also requires a retailer to comply with training  
9 9 requirements pursuant to federal law.

9 10 ADVISORY COMMITTEE. The bill requires the office of drug  
9 11 control policy to establish a pseudoephedrine advisory  
9 12 committee to provide input and advise the office regarding the  
9 13 implementation and maintenance of the statewide real-time  
9 14 central repository. The advisory committee shall consist of  
9 15 four licensed pharmacists including a pharmacist from an

9 16 independent pharmacy, a regional chain pharmacy, and a  
9 17 national chain pharmacy. The bill requires the office of drug  
9 18 control policy to solicit recommendations for membership on  
9 19 the council from the Iowa pharmacy association and Iowa retail  
9 20 federation.  
9 21 CONTINGENT APPLICABILITY. New Code sections 124.212A and  
9 22 124.212B created in the bill do not become applicable until  
9 23 sufficient funding is received and the central repository  
9 24 under the control of the office of drug control policy is  
9 25 established on a statewide basis. However, Code section  
9 26 124.212A, subsection 1, paragraph "h", in the bill, which  
9 27 requires a pharmacy to keep logbook records 24 months from the  
9 28 date of the last entry, is applicable upon the effective date  
9 29 of the bill.
